
Mills Pole Bogie

Product Images

Product Code: S83-1813

Short Description

Pole carrying truck for transporting wooden poles over rough terrain. Manufactured from high quality steel, with 400mm pneumatic wheels.

The pole bogie has two 50mm fully adjustable webbing straps capable of handling poles with diameters of up to 200mm and can be supplied with a tow bar for quad bike or vehicle towing.

It can be used in relatively confined spaces, having an axle width of 720mm.
