

Mills Key Joint Box No.5M Pit Lifter With Magnetic Arms & Cleaning Key

Product Images

Product Code: S13-1633

Short Description

The Mills premier pit lifting key is similar to the classic key joint box No 5 but enhanced with an integral cleaning tool, quick change hook and magnetic counterbalance arms.

Cleaning Tool - a wedge shaped key for cleaning around covers prior to opening, which neatly screws back into the handle for storage.

Magnetic Counterbalance arms - when in the closed position the arms are held to the body of the lifter by strong magnetic pads. Featuring a three rivet phosphor bronze edge strip, the arms can be purchased separately and are compatible with the Mills Classic No 5 Lifter and most other manufacturers' No 5 lifters. They can be easily retrofitted in minutes.

Quick Change Hook - the No 5M lifter benefits from a quick change forged hook, which can be easily

2

changed from forward to back position, allowing stubborn covers to be 'cracked'.

The hook is secured by a simple tee key. The hook and tee key can be purchased separately and are compatible with Mills Classic No 5 Lifter and most other manufacturers' No 5 lifters.

Formerly S13-4276
