

# Mills Quick Change Hook for No.4 and No.5 Pitlifters

Product Images

Product Code: S13-1796

## Short Description

Quick change forged hook, which can be easily changed from forward to back position, allowing

stubborn covers to be cracked.

The hook is secured by a simple tee key and is compatible with Mills Classic No 5 Lifter ( S13- 4276 ), Mills Key Joint Box No.4 Pit Cover Lifter ( S13-1071 ) and most other manufacturers No.4 and No.5 pitlifters.

Formerly S13-4427
