

Probst Kerb Lifter - 2 Man Lift

Product Images

Product Code: S83-1931

Short Description

Two person kerb lifter for the easy and safe lifting and moving of kerb stones.

Features

Especially suitable for handling concrete kerb stones.

The one-sided angular supports which are placed on the kerb stone already in place enable an extremely narrow joint.

Grips longitudinally so that it can be used in tightest spaces.

No deflection of the plumb line.

All models are equipped with a lifting eye.

Galvanised, providing durable surface protection

Gripper width: 100 mm

Gripping Range: 500 - 1045 mm

Inside Height: 40 mm

Working Load Limit: 100 kg

Product Weight: 11 kg
