

Jonard WSS-4625 Web Slitter & Shaving tool

Product Images

Product Code: E00-1851

Short Description

Designed to slit and shave the webbing off messengered hardline COAX cables and figure 8 fibre cables, the Jonard Tools WSS-4625 Web Slitter and Shaver is the perfect tool for working with aerial messenger cables ranging from 0.400"-0.625" in diameter.

Features:

Ultra-sharp steel slitting blade slits even the thickest webbing with ease

Adjustment knob for the shaver tightens down cables for close shaving

Locking mechanism provides increased leverage to easily penetrate thick webbing

Shaving blade removes excess webbing to provide a smooth surface for cable termination

Slits webbing off figure 8 fibre cables and COAX cables ranging from 0.400"-0.625" in diameter (10.2 mm-15.9 mm)

Perfect for outside plant (OSP) work on aerial messengered cables
