Mills Fibre Cleaner 60ml

Product Images

Product Code: S27-1965

Short Description

Mills Fibre Cleaner is formulated for cleaning optical fibre end faces. It is an ideal and safer alternative to conventional IPA, and will dissipate static to remove surface charges so that the surface is less likely to be re-contaminated.

This fibre cleaner is fast drying, water based, non toxic and non flammable.

Supplied in a reusable 60ml spray container.

Formerly S83-6680
