

Mills MasterClass Single Hole Fibre Stripper

Product Images

Product Code: E00-2530

Short Description

A classic 'contractor' single hole fibre stripper for stripping 250µm acrylate buffer coating from 125µm

optical fibre. The stripper features high frequency heat treated / induction hardened cutting edges which ensure repeatable precision cutting and stripping to the very highest tolerances whilst offering extreme durability.

The strippers further benefit from bi-material comfort grip handles for repetitive use.

Length:162mm

Weight: 119g

Mills MasterClass

This is a Mills MasterClass product and therefore benefits from the Mills MasterClass lifetime guarantee. In the unlikely event of any MasterClass product breaking during normal usage or failing to give complete satisfaction we will issue an immediate free replacement.
