# Bosch 18v ProCORE Battery 5.5Ah

Product Images

Product Code: P09-2351

---

## Short Description

---

The Bosch GBA 18v 5.5Ah ProCORE Battery has even more power in a compact size, and has a constant power output even under full load. Complete compatibility with all new and existing Bosch Professional 18v power tools and chargers. This battery has 87% more power thanks to the latest cell technology and intelligent battery management, and 135% longer life with the COOLPACK 2.0 technology that prevents the battery from overheating.

### FEATURES

- Part of the "Flexible Power System" 18 volt range from Bosch. Use it immediately without having to worry about whether it is compatible
- The "Flexible Power System" guarantees compatibility with all new and existing professional power tools and chargers within the same voltage class
- High-performance: +87% more power
- Significantly smaller size and better weight
- Airtight cells
- Improved copper cell connection
- Optimised performance and long battery life thanks to CoolPack 2.0 technology
- Constant power output even under full load
- Power output similar to a wired device with 800 W for Bosch ProCORE optimised devices

### SPECIFICATION

- Battery Capacity: 5.5 Ah
- Battery Voltage: 18v
- Cell Type: Li-Ion
- Weight: 955 g
- Size (L x W x H): 117 x 77 x 69 mm

Bosch Part Number 1 600 A02 149

## Description
