
Bosch 18v ProCORE Battery 8.0Ah

Product Images

Product Code: P09-2312

Short Description

The Bosch GBA 18v 8.0Ah ProCORE Battery is the perfect balance between weight and power. Complete compatibility with all new and existing Bosch Professional 18v power tools and chargers. This battery has 87% more power thanks to the latest cell technology and intelligent battery management, and 135% longer life with the COOLPACK 2.0 technology that prevents the battery from overheating.

FEATURES

- Part of the "Flexible Power System" 18 volt range from Bosch. Use it immediately without having to worry about whether it is compatible
- The "Flexible Power System" guarantees compatibility with all new and existing professional power tools and chargers within the same voltage class
- High-performance: +87% more power and continuous high performance due to superior heat management COOLPACK 2.0
- Long battery life thanks to CoolPack 2.0 technology
- Constant power output even under full load
- Power output similar to a wired device with 1,600 W for Bosch ProCORE optimised devices

SPECIFICATION

- Battery Capacity: 8.0 Ah
- Battery Voltage: 18v
- Cell Type: Li-Ion
- Weight: 1.01 kg
- Size (L x W x H): 117 x 77 x 69 mm
- Charging Time in GAL 18V-60 C (80/100%): 35/50 mins

Bosch Part Number 1600A016GK
