Anvil Loppers 750mm

UB8 2GU

Product Code: N70-2543 **Product Images**

Short Description

These lopping Shears use a compound action to allow a much greater pressure to be applied when cutting.

The loppers have anvil blades, and the aluminium handles have soft-touch grips for comfort.

Lightweight design for less fatigue.

Cutting Capacity: 45mm

Length 750mm / 30 inches
