

# Fusion Contract Free Standing Cab 600mm W x 800mm D 18U Mesh

## Product Images

Product Code: T98-9218

## Short Description

---

### Mesh Front Door Version

These 600 x 800mm free standing cabinets are manufactured from 1.5mm steel and have a static load capacity of 800kg. They feature a reversible door with slam latch and mesh panel. The bolted construction means they can be dismantled for access if required.

Designed for large contract applications, the Fusion Contract series cabinets offer stylish design and top quality at highly competitive prices.

The range comprises standard wall cabinets, swing back, free standing and server cabinets, all complying with ANSI/EIA RS-310-D, IEC60297-2 and DIN41494 Part 7

### Features

- 1.5mm steel construction
- Lockable and reversible quick-release front and rear doors
- Mesh front door with swing handle lock
- Steel rear door
- Lockable quick-release lift-out steel side panels
- Fully adjustable front and rear profiles with U height markings
- Removable roof panel for flood wiring or cooling
- Two cable entry brush strips on front and rear of roof
- Adjustable size bottom cable access aperture
- Fitted with 4 castors and supplied with adjustable feet
- Supplied with 4 pairs of keys
- Supplied with tamper-proof cage nuts and key
- Manufactured from SPCC cold rolled steel
- Finished in RAL9004 black
- Complies with ANSI/EIA RS-310-D, IEC60297-2, DIN41494 Parts 1 & 7

**Free Standing Cabinets are usually despatched by separate transport and are subject to an additional delivery charge.**

**All cabinets are non-returnable & non-refundable. If there are any damages on the outer packaging please sign for as 'damaged' and upon receipt, please contact us immediately.**
